

SUMMER LUNCH PROGRAM @ PALMYRA LIBRARY

July 6 to August 6 Monday—Thursday serving from 12pm-1pm

All youth....ages 19 and under being served

2 volunteers needed daily: One person to pick up food at Wayne ARC in Newark at 11:15-11:30a and help to serve/clean-up at Palmyra Library. At the end of clean-up we need one of the volunteers to again return the coolers to ARC to be prepared for the next day.

What do I need to do?: Serving of the food is easy! All lunches will be bagged lunches (on occasion pizza will be served, but mostly these are all bagged lunch). So you take a bag out of the cooler and also hand them a milk. Clean-up is just make sure all garbage is picked and placed in the receptacles and wipe off the tables.

What time do I need to be there?: If you are picking up the coolers at Wayne ARC, you need to be there between 11:15-11:30am. The other person can arrive to the Library by 11:45am. Serving is done at 1pm, so clean-up should be about 15 minutes. The person returning the coolers should have them dropped off around 1:30 or so.

There will be 20 dates that need to be filled with serving for 5 weeks, Monday thru Thursday. With 2 volunteers at each date that is a total of 40 volunteers opportunities.

See Edie or John C. to sign up.
