*Cloud of Witnesses: The Community of Christ in Hebrews*

**By Melissa Bane Sevier**

**Suggestions for Leaders by Sung Hee Chang**

The Letter to the Hebrews is a significant book of the Bible and is also significantly different from every other book in the Bible. It consists of thirteen chapters, all of which are packed with theology, metaphor, comparisons, and spirituality. Therefore, I've decided to approach the letter thematically, not sequentially. We will explore nine major themes, relate those themes to other parts of our faith tradition, and tie them together with the overarching motif of community. The community for which the letter was written interacts, in a sense, with all the communities of which you are a part, because you bring those groups with you wherever you go—they have helped to form you into the person you are. The community in which you study and worship, your family and friends, social and therapy groups . . . all are part of you. Our prayer is that the study of community in Hebrews will help us strengthen our own communities.

**Ladies,**

**Mark your calendars.....**

**We will begin to gather together in September in Fellowship Hall. Sure hope familiar faces and new faces join us for honest open discussions on life and how we wear our faith. We are excited to travel this journey with you as we learn more about the letter to Hebrews. See how this book in the Bible differs from others we have studied. How is it the same? We will find out together. The THIRD WEDNESDAY of each month at 1PM - Starting with September 20<sup>th</sup> at 1PM**
